# Legal Disclaimer

## ■ Factors and Assumptions

Forward-looking statements are based on a number of material factors and assumptions. Important factors that could cause actual results to differ materially from the Company's expectations include actual results, changes in project parameters as plans continue to be refined, results of future travel sales estimates, future travel prices, availability of capital and financing on acceptable terms, general economic, market or business conditions, uninsured risks, regulatory changes, defects in title, availability of personnel, materials and equipment on a timely basis, accidents or equipment breakdowns, delays in receiving government approvals, unanticipated impacts on operations and costs to remedy same, and other technical or other risks detailed herein and from time to time in the filings made by the Company with securities regulators.

## ■ Other Factors

Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ from those described in forward-looking statements, there may be other factors that cause such actions, events or results to differ materially from those anticipated. There can be no assurance that forward-looking statements will prove to be accurate and accordingly readers are cautioned not to place undue reliance on forward-looking statements.

## ■ Regulatory Non-Responsibility

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
