Vancouver, BC – CUV Ventures Corp. (TSX-V: CUV) (the “Company”) Vancouver, BC – (the “Company”) is pleased to announce that the wholly owned subsidiary, RevoluPAY® S.L. began processing a small first batch trial of Expedia and Booking Holdings VCC cards on Tuesday 18th December, totaling 25,000 USD (33.7k \$CA), with a single first day unaudited processing revenue of 3% or, 750 USD (approx. 1011 \$CA). The company is pleased with the initial uptake of this new RevoluPAY® revenue stream and, expects daily volumes to increase exponentially, once the VCC clearance mechanism is deployed to B&B and small hotel owners worldwide.

Top 40 World Bank Executive Visits RevoluPAY® Headquarters

On the 17th December 2018, Alfredo Manresa, CEO of the wholly owned subsidiary RevoluPAY® S.L and, other key management at the Barcelona headquarters of the subsidiary, had the immense honor to receive a personal visit from an executive of the **Top 40 World Bank**, with which the company is currently concluding negotiations for the eventual bilateral deployment for cash collection (disbursements) of RevoluPAY® remittances in 16 South/Central American and, Caribbean countries. The all-day meeting concluded favorably with, many upcoming technical and contractual milestones discussed. The parties also conferred further synergies for the upcoming RevolUTILITY platform, in which the bank expressed keen interest for additional possible collaborations.

Central Bank Two-factor Authentication

The company is pleased to announce that it has successfully complied with the RevoluPAY® security enhancements imposed by the Central Bank, with whom the RevoluPAY® License is currently pending its 90-day statutory approval period. Central Bank requisites include two-factor authentication to secure digital bank accounts. Depending on the mobile device used, this could include: Fingerprint, biometrics, passwords, received SMS codes or, a combination of all 4, in order to secure a user’s RevoluPAY® app account. These latest enhancements of RevoluPAY® render the app Central Bank compliant and, will be rolled out next week, in a future app upgrade on Apple iOS and Android.

RevoluPAY® Retail Integration

CEO, Steve Marshall, has carried out 5 separate meetings with executives of large national retailers located in: Uruguay, Guatemala, El Salvador Colombia and, Mexico. As shareholders have been advised, it is the intent of the company that RevoluPAY® app users benefit from a multi-use scenario when using the app. On one hand, simple remittance cash collection for a minimal fee and, on the other hand, the ability to be able to transact directly using RevoluPAY® in select retail stores, supermarkets and, businesses, with no fee, essentially 1:1 currency wallet balance value in collaborating retail stores. Retailers will be allowed to permit direct payment with RevoluPAY®, with B2B processing fees that are lower than those offered currently by other payment systems or, Visa/Mastercard fees, in their respective countries.

Major Restaurant Chain Expresses Interest in Accepting RevoluPAY®

Subsequent to numerous meetings, company Advisor, Emilio Morales, is currently negotiating with a major international restaurant chain, with +800 restaurants in 11 countries and 280 cities in Europe and, the Americas. (Spain, Italy, Portugal, United States, Mexico, Guatemala,

Costa Rica, Dominican Republic, Paraguay, Chile, and Colombia) for the usage and, eventual payment, using RevoluPAY® in all international restaurant establishments of the group. The parties are discussing an initial Letter of Intent (“LOI”), which would include a pilot trial in Florida, USA. Shareholders will be informed as to whether the said negotiations conclude as planned.

Amadeus Successfully Incorporated into RevoluVIP

The company is elated to announce that Amadeus, the largest GDS linked to the upcoming RevoluVIP platform, has been successfully incorporated into the XML powered, discount focused travel platform, currently being rolled-out in conjunction with [Constellation Software Inc.](#) subsidiary Juniper. The worldwide wholesale offers from Amadeus are considered a major component of trip offers on travel retail platforms.

RevoluVIP Pre-Memberships to commence

RevoluVIP International Inc., the Vancouver domiciled, wholly owned subsidiary of CUV Ventures Corp, is pleased to announce that it will begin selling pre-launch, numbered memberships to the [RevoluVIP Club](#) as early as next week. RevoluVIP has received many requests from future members, desirous to be amongst the first numbered membership holders of the Club. Further, the company will allow the initial members to participate in the live trials of the system, set to commence this month. [RevoluVIP Presentation](#)
